Everyone Wants to Be Loved

© Music, Lyrics and Performance by Jody Belsher

*Everyone's heart beats
Everyone loses sleep
Everyone wants to be loved*

*We're all from heaven
We're all just tryin'
We're all together in this world*

*The sooner we can join hands
The stronger we can be
The sooner we can be friends
We'll have no enemies*

*The sooner we can join hands
The stronger we can be
The stronger we can be
The stronger we can be*

*Time is a healer
Time's a believer
Time is on our side*

*Open your heart
Open your mind
Open your eyes and see*

*The sooner we can join hands
The stronger we can be
The sooner we can be friends
We'll have no enemies*

*The sooner we can join hands
The stronger we can be
The stronger we can be
The stronger we can be*
