In the midst of brutal violence, 200 brave Muslims and Christians met and discovered communication excellence in their days and evenings together during the 2010 2nd Annual Youth Interfaith Dialogue Conference, in Jos.

This practical evening is to offer — through African film and experience — modern tools of communication for your home, school, business, neighborhood, and global community.

Host [Spencer Kapoba Chiimbwe](#), from Zambia, champions face-to-face, multi-faith, cross-cultural communication excellence as expert resident facilitator and Interfaith Fellow for [The Community of Living Traditions](#) at Stony Point Center. He is Coordinator for the Centre For Conflict Dialogue in New York.

Facilitators [Libby and Len Traubman](#) co-founded the 19-year-old Jewish-Palestinian Living Room Dialogue of San Mateo, California. They have co-produced five films: (1) *DIALOGUE AT WASHINGTON HIGH*, (2) *PEACEMAKERS: Palestinians & Jews Together at Camp*, (3) *CROSSING LINES IN FRESNO*, and (4) *ABRAHAM'S CHILDREN: Graduation Day!* Since January, 2012, (5) [DIALOGUE IN NIGERIA](#) has been requested from 45 nations.
