

## *Facilitated Dialogue Experience*

**Multifaith Voices for Peace & Justice (MVPJ)**

**Wednesday, February 6, 2019 • 5:15-8:30 • Palo Alto, California USA**

[Multifaith Voices for Peace & Justice \(MVPJ\)](#) are women and men rooted in 36 diverse faith communities. Since 2003 they have convened to "put our convictions into action by saying NO to war and YES to peace and justice."

This evening a small, core group chose to experience a new quality of face-to-face Dialogue and quality of listening-to-learn that might take them closer successful civil engagement and learning that dignifies everyone in the midst – an entry point into life beyond war. In dyads – knees to knees, eyes to eyes -- they shared personal narratives, a dependable beginning to truly know and want the best for the “other” while experiencing that “an enemy is ones whose story we have not heard.”
