

# VRI-Sulhita Youth Leadership Seminar

Mizpe Ramon, Negev~Naqab Dessert, Israel

17-21 March 2010

<http://www.sulha.com/>

**Forty-four young innovators** – Palestinians, Israelis, Jews, Arabs, Muslims, one Jordanian, and two Americans gathered in Mizpe Ramon deep in the desert.

The first day they wrote: "After a very long journey, our bus full of courageous young leaders arrived here yesterday evening full of energy and ready to build meaningful relationships and explore our collective power to transform this conflict and build a brighter future for all."
